Description of Scope of Work	<b>Boone Construction Company</b>	Harry H. Houf & Sons Contractors, Inc.	Viebrock Const. & Equip. Inc.	Emery Sapp & Sons, Inc
Furnish equipment, and labor to install piling at bridge T0490 in Putnam County along Route W and bridge P0418 in Sullivan county along Route D. A minimum one (1) operator and one (1) helper will be needed. Leads need to be capable of handling 50 LF of HP 10X42 piling. A total of 16 piling requires installation. There are 4 piling required at each end of both bridges. It is anticipated that 50LF will be installed at each location. However, should additional length be required at a particular location the contractor shall help support piling while MoDOT personnel weld splice.
